Beautify the Town.

A clean place, however humble, is a lovely place, and now is the time of the year for all people to clean up their premises, thus on the whole greatly beautifying the town or country. At each place there is a certain amount of cleaning necessary at least once a year. There are trees and shrubbery to set out, yard and garden fences to repair and straghten up, out houses and fences to whitewash, residence to paint trees, to prune and a hundred other things not mentioned, all of which when properly looked after, will add double to the appearance of your place.

Begin now and set things right and set an example for your neighbor, besides you will feel better and make your wife and family feel better, and make them think better of you.

The Right Name is DeWitt.

DeWitt's Witch Hazel Salve cools, soothes and heals cuts, burns, boils, bruises, piles and all skin diseases. K. E. Zickefoose, Adolph, W. Va. says: "My little daughter had white swelling so bad that piece after piece of bone worked out of her leg. DeWitt's Witch Hazel Salve cured her." It is the most wonderful healing salve in the world. Beware of counterfeits. Sold by M. Rose.

Good for the Pen.

Marshal Johnson is one of a number of witnesses attending Mt. Sterling Circuit Court as witnesses against Wad Hall of color. Hall a short while back sold some corn in Clay City at some close figures and it seems that said Hall had been stealing some of this corn from his employes, Monarch Milling Co., Mt. Sterling, but was arrested by them soon as they discovered his dishonesty. Hall seems to stand a fair showing for a special trip to Frankfort as a consequence.

A Tried and True Friend.

One Minute Cough Cure contains not an atom of any harmful drug, and it has been curing Coughs, Colds, Croup and Whooping Cough so long that it has proven itself to be tried and true friend to the many who use it. Mrs. Gertrude E. Fennor, Marion, Ind., says: "Coughing and straining so weakened me that I run down in weight from 148 to 92 pounds. After trying a number of remedies to no avail, One Minute Cough Cure entirely cured me." Sold by M. Rose.

Cure for Balky Horse.

"It is the simplest thing in the world to start a horse that has balked," said a well known horseman the other day. "You knew that a horse or mule can not concentrate his mind on more than one thing at a time. When he balks he has his mind set upon that particular subject and you couldn't budge him in a hundred years unless you changed that line of thought. Simply drop a small wad of paper into his ear and he will move right along. It gives him the job of thinking how he is going to get the paper out of his ear and forgets that he has balked."

Bowling Green is to have a large putty factory.

Paid Fine.

In Mason county not long since the American Book Company was fined \$10,000 for selling school books at excessive rates. The company has paid the fine, and refused to make new bond. Supt. of Public Instruction Jas. H. Fuqua has ruled that whereas this company has failed to comply with the law in this county, it releases all contracts held by the company with other counties previous to the general school book bill passed at the last session of the Legislature. The advantage of counties getting rid of these contracts are that they were made at a higher rate for school books, than the State contract calls for.

Powell is one of the unfortunate counties with an old contract, so the parents of children in the county may feel fortunate that the contract is annulled and that this rich school book monopoly is the loser besides having the ten thousand dollars.

Won a Name of Fame.

DeWitt's Little Eearly Risers, the famous little pills, have been famous by their certain yet harmless and gentle action upon the bowels and liver. They have no equal for biliousness, constipation, etc. They do not weaken the stomach, gripe, or make you feel sick. Once used always preferred. They strengthen. Sold by M. Rose.

Died from Jumping the Rope.

Jumping or skipping the rope is a delightful play with school children in general all over the United States, but it sometimes results fatally. A few weeks ago we noted the prostration of a Daviess county school girl while skipping rope, and this week comes the report from New York that a little lass in that city died instantaneous after jumping 218. It seems that teachers should make a rule prohibiting such abuse of the sport.

Forget About Your Stomach.

If your digestion is bad the vital organs of your body are not fed and nourished as they should be. They grow weak and invite disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion and all stomach troubles. You forget you have a stomach from the very day you begin taking it. This is because it gets a rest—recuperates and gradually grows so strong and healthy that it troubles you no more. E. L. Babcock, Amherst, Minn., says: "I have taken a great many remedies for indigestion but have found nothing equal to Kodol Dyspepsia Cure." Kodol digests what you eat, cures Indigestion, Dyspepsia, Sour Stomach, Belching, Heartburn and all Stomach Troubles. It's preparation is the result of many years of research. Sold by M. Rose.

PAPOOSE POPCORN
A New Seed Discovery for
FORAGE, POULTRY, POPPING

A subscriber to the Southern Agriculturist secured the original seed from an old Indian in Northwest Texas. After experimenting with it seven years he wrote that paper: "With good ground and care it will make from 50 to 100 bushels to the acre, and planted thick and cut stalk and all it will make more feed and better feed than anything I ever saw. The old Indian said poultry fed on it would never have the cholera. I have not lost a fowl with cholera since I have been raising it. It also pops beautifully." This article brought hundreds of requests for seed, and now only a few bushels are left. Send 10c for a 3 months' trial subscription to Southern Agriculturist, 39 C. P. Bldg., Nashville, Tenn., and you will get 100 seed by return mail, also details of \$50 prize seed-growing contest.
